ROCKLIFF PIERZCHAJLO KROMAN ARCHITECTS has a proud tradition of creating outstanding projects throughout communities in Western Canada and the Territories.

Over the past 48 years, our civic, health care, long-term care, socially responsible housing, and commercial projects have contributed to design excellence in our built environment.

We are designing with the long-term vibrancy of our neighborhoods in mind and are passionate about working with our local communities to create buildings that contribute positively to their context.

If you are energetic, creative and a team player, we want to hear from you!
