ROCKLIFF PIERZCHAJLO KROMAN ARCHITECTS

has a proud tradition of creating outstanding projects throughout communities in Western Canada and the Territories.

This is our 50th year in business. Our civic architecture, health care projects, long-term care facilities, socially responsible housing, and commercial projects have contributed to design excellence in our built environment.

We are designing with the vibrancy of our neighborhoods in mind and passionately work with our local communities to create buildings that contribute positively to their context.

If you are energetic, creative and a team player, we want to hear from you!
